Thanks very much. I know with all of the budget tightening and other less than pro-government sentiments that any kind of award must have been a challenge, so that makes this one even more valuable.

On behalf of the RA and myself, I am happy let you know that you should have seen or will see an award of \$500 and 8 hours as recognition of your hard work on the Dimock site. Please take this as a small token of our appreciation and our thanks for a job well done.
